

# PORTABLE CARGO LIGHT

## Model PL101 Master Safety Portable Cargo Light

The PL101 Portable Cargo Light has proven itself safe and effective for over 40 years. It was originally designed to withstand the extreme environments of the Marine Industry and Naval Shipyards. Today it is also becoming a popular tool with Utility and Construction Companies as a safety task light. It's rugged nature and virtual "Shock-Proof" safety features, make it ideal for all your damp and risky work environments.
